

**Department of  
Transportation**

## A Notice from:

Colleen M. Williams

Region 4 Public Involvement Coordinator

**The bridge carrying Galloway Road over the Erie Canal in the Town of Palmyra, Wayne County is now posted for a maximum weight of 14 tons. It had been posted for 18 tons. This posting is being put in place following a recent inspection and engineering analysis that revealed the bridge can no longer safely carry heavier traffic in its current condition.**
