

# MULTI STATE PERMIT CLASS

A multi-state permit is one of the most important things you should have. This course will help you obtain the permits that will allow you to legally transport, possess, and carry your handgun concealed while you travel. We've combined all of our highly rated CCP/CFP training classes into one for your convenience – and you save money too!

In this multi state permit course, we will cover the specific laws of each state, firearms safety, mindset, methods for effective carry, de-escalation, basic firearms skills, and more.

## During the class and training, you will receive:

### Utah class section

- The Utah specific laws, and regulations
- Your photograph
- Fingerprint service
- Pre-addressed envelope
- The Application

### Florida class section

- The Florida specific law sections
- Your photograph
