JANUARY 2006

I. SCOPE

This investment policy applies to all moneys and other financial resources available for investment on its own behalf or on behalf of any other entity or individual.

II. OBJECTIVES

The primary objectives of the local government's investment activities are, in priority order,

- (legal) to conform with all applicable federal, state and other legal requirements;
- (safety) to adequately safeguard principal;
- (liquidity) to provide sufficient liquidity to meet all operating requirements; and
- (yield) to obtain a reasonable rate of return.

III. DELEGATION OF AUTHORITY

The governing board's responsibility for administration of the investment program is delegated to the Town Supervisor, who shall establish written procedures for the operation of the investment program consistent with these investment guidelines. Such procedures shall include an adequate internal control structure to provide a satisfactory level of accountability based on a data base or records incorporating description and amounts of investments, transaction dates, and other relevant information and regulate the activities of subordinate employees.

IV. PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Town of Palmyra to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the

management of their own affairs, not for speculation, but for investment, considering the safety of the principal, as well as the probably income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

V. DIVERSIFICATION

It is the policy of the Town of Palmyra to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

VI. INTERNAL CONTROLS

VIII. COLLATERALIZING OF DEPOSITS

In accordance with the provisions of General Municipal Law, ss10, all deposits of Town of Palmyra, including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured:

1. by a pledge of "eligible securities" with an aggregate "market value" as provided by GML ss10, equal to the aggregate amount of deposits from the categories designated in Appendix A to the policy.
2. by an eligible "irrevocable letter of credit" issued by a qualified bank other than the bank with the deposits in favor of the government for a term not to exceed 90 days, with an aggregate value equal to 140% of the aggregate amount of deposits and the agreed-upon interest, if any. IX. SAFEKEEPING AND COLLATERALIZATION

Eligible securities used for collateralizing deposits shall be held by the depository and/or a third party bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure local government deposits, together with agree-upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released, and the events which will enable the local government to exercise its rights against the pledged securities. In the event that the securities are not registered or inscribed in the name of the local government, such securities shall be delivered in a form suitable for transfer, or with an assignment in blank to the Town of Palmyra or its custodial bank.

The custodial agreement shall provide that securities held by the bank or trust company, or agent of and custodian for, the local government, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement shall provide for the frequency of revaluation of eligible securities and for the substitution of securities when a change in the rating of a security may cause ineligibility. Such agreement shall include all provisions necessary to provide the local government a perfected interest in the securities.

Security dealers not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers. The Supervisor is authorized to contract for the purchase of investments:

- Directly, including through a repurchase agreement, from an authorized trading partner.

The agreement shall describe how the custodian shall confirm the receipt and release of the securities. Such agreement shall include all provisions necessary to provide the local government a perfected interest in the securities.

A short discussion took place about the new holiday, which was added to the list. The Day after Thanksgiving was included this year. In the past, although town offices were closed the day after Thanksgiving, employees had been expected to take a personal or vacation day for it.

18. Mike Lambrix made the motion to postpone the public hearing for the proposed Parker-Cambier and Johnson-Floodman water districts. At the last town board meeting, the board had scheduled the hearing for January 26, 2006. Since there are several people involved in presenting information at the hearing who would need more time to prepare, the board decided not to set a date for the hearing until all the paperwork was ready. Then, the legal notices could be published.

INFORMATIONAL ITEM

Information was received concerning the Association of Towns' 2006 Training School and Annual Meeting in New York City, February 19-22, 2006. At the Business Session, proposed resolutions for the Association of Towns (AOT) to consider in their lobbying efforts require authorized delegates to vote. Issues and legislation important to towns are proposed for this lobbying. Without a delegate to represent Palmyra, our interests are not addressed.
