I hereby certify that the above is a true copy of resolutions passed by the Palmyra Town Board at a meeting held on December 20, 1945. Helen M. Jeffery, Deputy Town Clerk  
Town of Palmyra, County of Wayne

The question was brought up to Mr. Young whether the Village of Palmyra could charge the Town of Palmyra for the Volunteer Fire Company going out in rural districts.

The following letter was received by Mr. Young in regard to the above question: 12- 1-45  
Mr. Sanford M Young  
Palmyra, NY

Dear Sam:

There is no provision for the Town to contract with an incorporated village or an incorporated fire company for fire protection without first setting up a fire protection district. The Town Board on its own motion can institute a proceeding to set up a fire protection district, or the taxpayers of the area can present a formal petition requesting that such action be taken.

Very truly yours,

EWT:HGC

Earl W. Tabor
