June 6, 1796

A division of the Highways in the district of Tolland in the County of Ontario are as follows into separate Road District (Viz.). The Road District to begin at the middle of North Creek upon the highway from John Russel's to Nathan Harris' to extend north and east over Mud Creek by Thadeus Taft's and thence eastward by Jonathan Millet's to the line between the two west twelves, first and second ranges.

2. Road district to begin at the west line of West 12, second Range, between Reuben Town's and William Jakeway's to extend east to the line of the lots between John Swift, Esq. and William Jonah Nowell and also south upon the Canandaigua Road to the south line of south district and north by John Russel's to the middle of Mud Creek.
3. Road district to begin at the west line of William Jonah Nowell's lot or teniment where he now resides and to extend thence east upon the south side of Mud Creek to the center line of the southwest 12 in the 2nd Range including a new highway east of the center line by Thomas Rogers' and southeast by William Rogers' on the highway laid towards Flint Creek to the south line of the town or district.
4. The road district to begin at the new street a small distance east of the sawmill belonging to John Swift, Esq. And thence north and east to Mud Creek and over thence east to the center line of the township and also north to the north line of the southwest 12, the 2nd range.
5. The road district to begin at the before mentioned center line between William Willcox and Lieutenant Joel Foster's to extend east to the line of the lots between David W. Foster and Elias Reeves on the north side of Mud Creek, and also to the south side of Mud Creek from a certain new highway a little east of the center line by James Galloway's, east to a highway from or between the aforementioned David H. Foster's to Humphrey Sherman's and also north and south within the before described lines to the north and south lines of the above said West 12 and the 2nd range.
6. The road district to begin at the before described lines between David H. Foster's and Elias Reeves to extend north and south and also east to the lines of the line of the aforementioned west 12 in the 2nd range.
7. The road district to begin at the east line of west 12 the 3rd range on the Creek Road and the foot of the hill near William Jakeway's, thence northward and west the road to Webb Harwood's west line and also from that to the south line of west 12, 3rd range.
8. The road district to begin at the west line of Webb Harwood's land, thence west by Jacob Gannet's to the east end of a certain causeway near the west line of Ebenezer Reed's land, also south by Gannet's house over Mud Creek by Abraham Lapham's to the south line of the district, also east on the south side of Mud Creek to Noah Porter's.
9. The road district to begin at the east end of the aforementioned causeway near Ebenezer Reed's west line, thence west on the west line of the west 12 in the 3rd range and also the highway by Jeremiah Smith's to the south line of the said district.

10. The road district to begin at the Creek Highway a little west of a certain causeway before described near Reed's land and to extend west by John Gibson's to the west line of said district.
11. The road district to begin at the Creek Road between Reuben town's and William Lemuel Spear's and to extend northward by Benjamin Woods' to the north part of the settlement in West 13, 3rd range.
12. The road district to begin at the creek and near Webb Harwood's to extend northward by John Kingman's to the north line of west 12, 2nd range.

William Jonathan Edwards, Sr. We the subscribers wish you to record the above division of highways in the town book, according as the law directs. Done in Tolland, this 6th day of June, 1796. As witness our hands.
