Mr. Delpriore is charged with official misconduct, stalking, and coercion related to a dispute with a female.

Delpriore apologized for “any black eye brought to the town or village” and stated that he really enjoys working for Palmyra and with Code Enforcement Officer Robert Grier. He further explained that this incident stemmed from a relationship that ended, and that he never used his position as an officer, or that he had contact with the state police. He denied those two points to be true. However, he did state that although this woman is making up stories, some of these charges were indeed valid and “very bad”.

Village Trustee Rick Perry inquired as to whether or not this woman in question had ever made these allegations towards other men in the past.
