

This is a verbatim excerpt from the public input portion of the meeting on August 25th, 2016. The short conversation occurred after Supervisor Miller read the *Public Input Guide (attached)*, and then invited Mr. Marc Carrier to speak on behalf of the Garnsey Rd residents:

Mr. Carrier: *“As it’s stated in the agenda, I’m still looking for information in regards to the town landfills on Garnsey Rd.”*

Supervisor Miller: *“Okay”*

Mr. Carrier: *“Thank you. Ahh, I’ve been able to get some traction with the New York State DEC, which I’m happy to share, I won’t get into detail now, but uhh, I’m finally getting some motion there. I, as I said before, I think now this is 3 years this month, you’re talking about giving me 3 minutes, this is 3 years this month (repeated), and here we are, still looking to have a conversation. I appreciate the comments that you made that you don’t answer questions, but at some point we are going to have a conversation, so I thank you for your time, and I appreciate that. Thank you!”*

Supervisor Miller: *“Okay, Thank you.”*

END
